PROMINENT MEN TAKEN BY DEATH

George P. Smyser, Director in Gettysburg Gas Company, Dies in York. President of Copper Company Dies from Injuries.

GEORGE PHILIP SMYSER

George Philip Smyser, sixty eight years old, manufacturer and banker died five minutes after 12 o'clock this morning, at his home in York, from a complication of diseases, which had confined him to the house since last Saturday. He had been complaining for several months of organic heart trouble, but attended to his business affairs until last Saturday, when heart affection, coupled with Bright's disease, compelled him to take to his bed. Sunday uraemic poisoning developed and from that time until his death he was in a semi-conscious state.

Mr. Smyser was a director of the York Trust Company, the Hanover and McSherrystown Street Railway Company, Gettysburg Gas Company and the Hanover Light, Heat and Power Company. He was president of the York and Gettysburg and the York and Southern Turnpike Companies. He had a wide acquaintance in railroad circles throughout the country.

FREDERICK J. CUYLE

Frederick J. Cuyle, Hazleton, president of the Eagle Metallic Copper Company, which operates the mine at Charmian, died Sunday morning at the Hazleton hospital, the result of injuries received in an accident at a stripping between Lattimer and Orifon, following a charge of dynamite.

Mr. Cuyle attempted to lift a piece of frozen ground, when suddenly the ground on which he was standing gave way, carrying him to the bottom of the stripping and completely burying him.

A steam shovel was procured to remove the earth which covered Mr. Cuyle. This required several hours. He was removed to the Hazleton hospital.

He was president of the Hazleton Printing Co. and for a number of years was a successful stripping contractor. He was born in Delaware county, N. Y., in 1858 and lived at Hazleton since 1881. He was a 32nd degree Mason.

He is survived by his widow, one son, two daughters, four sisters and one brother.

Mr. Cuyle was a frequent visitor to the mines at Charmian.

MRS. LEAH WINAND

Mrs. Leah Winand, widow of the late Rev. George Winand, of near York Springs, died Monday, February 26, from a complication of diseases, aged about 76 years.

Mrs. Winand is survived by three daughters and one son—Mrs. Harry March, of New Chester; Mrs. Wilbert Shetron, of near Harrisburg; Miss Alice and Cletus Winand, at home. She is also survived by three brothers and one sister—Christian Weaver of East Berlin; David, of New Oxford; Edward, of Hanover, and Mrs. Amanda Winand, of York Springs.

Funeral Wednesday morning February 28th, services and interment at the Latimore church, Latimore township.

CHARLES CONDRAN BENDER

Charles Condran Bender died at a Baltimore hospital this morning. He was a former resident of Bendersville and is well known by residents of that vicinity.

Mr. Bender was born at Oak Fallen, Missouri, on February 17, 1863. He lived at Bendersville for three years and married Miss Emma Deatrick, daughter of Edward Deatrick, who survives together with the following children, Mrs. Ethel Wilson, Mrs. Bessie Pouch and Walter Bender, all of East St. Louis, Illinois.

DEATH OF FIRE CHIEF

James Birdsell Campbell chief of the Hanover Fire Department, died at his home at 12.15 o'clock Tuesday morning. He was aged 41 years and 14 days. Mr. Campbell's fatal illness started with a cold two weeks ago, accompanied by severe attacks of rheumatism, which finally resulted in uraemic poisoning, which caused his death.

WORK RESUMED ON POST OFFICE

Masons Resume Work with First Indication of Warmer Weather and Placing of Stone is Expected within Several Weeks.

Work on the federal building was resumed this morning by a force of workmen brought here to complete the brick laying and other work of that nature which remains to be done before the stone work is started. The portions of the walls finished before the severe cold weather of the winter months set in are in remarkably good condition and show practically no ill effects whatever from the zero weather which followed so soon upon their construction.

Much of this work was done with the mercury hovering about the freezing point and some fear was expressed for the work done with the temperature ranging from 28 to 32 degrees, but close inspection shows it to have stood the test as well as though it had been done in the warm summer months.

Some of the granite is now on the ground and with warm weather for the masons it is expected that the work of placing this can be taken up the latter part of next week or the week following. Another carload of granite is expected to arrive here about March 10. All this stone comes from the New Hampshire quarries of the Pennsylvania Marble and Granite Company, of Philadelphia, which has the contract for furnishing all the stone for the building. The marble will come from Baker, Chester County, Pennsylvania, from which place the marble for the York post office has also been secured. This will follow the granite.

Two large derricks are to be erected and heavy timbers are now on the grounds for use in their construction. One will be placed at the north end of the building and the other at the south end so that double time may be made in placing the marble. All the steel is also here for the building and within a few weeks the work of placing it will also be taken up. With things favorable, the middle of April will show quite a different appearance of things at the corner of Baltimore and High streets and the only thing that can possibly delay work will be failure to get prompt shipments of marble which is not considered probable.

FOR GREATER HANOVER

The "Greater Hanover" movement, which had been advocated strongly some time ago, and apparently has been resting quietly, has taken a new lease of life. The committee, Messrs. Buntz and Bender, appointed by the council to ascertain the feeling among the people in the West End, presented a very favorable report to Burgess Shelly. From present indications, the entire West End, up to the borough limits of McSherrystown, is ready to come into the borough. During this week additional petitions will be circulated among the residents of the eastern section, and there is little doubt that by the April meeting of the town council the petitions will have sufficient signers to warrant the extension of the borough limits. It is possible that petitions will be circulated in Grangeville and Pennville, as quite a large number of the residents of these places signify a willingness to become part of Hanover.

FIRE IN LITTLESTOWN

A fire occurred in Littlestown Tuesday morning when the outkitchen of Keuben Julius, was set on fire from an overheated stove pipe. Members of the Alpha Fire Company responded quickly and as the burning building is opposite the fire house, little time was lost in extinguishing the flames. The damage done to the outkitchen was very trifling.

TOWN BOWLERS WON FROM YORK

Gettysburg Bowling Team Continues Unbroken List of Victories by Defeating York Quintet at this Place. Much Interest.

The Gettysburg bowling team won from York Tuesday evening at the Monarch bowling alleys with a margin of 29 pins. Gruber, of York, was the star of the evening with a total of 353. Ira Plank, for Gettysburg, had a score of 324.

Gettysburg got away with the first game with a margin of twenty three pins but York more than overcame this lead with thirty three to the good in the second game of the evening. The Gettysburgians got together in the third of the series and bowled their best, coming off with thirty nine pins to the good and a margin of twenty nine for the series.

The contest drew a large crowd to the alleys. The unbroken list of victories continues to grow and with it the interest in the mid-winter sport which never flourished here before the Monarch alleys were opened. The totals:

PROMINENT CITIZEN LEAVES

Augustus W. Eckenrode and family, of McSherrystown, left Tuesday for Emmitsburg, their new home, where Mr. Eckenrode has been appointed superintendent of the grounds and farms of Mt. St. Joseph's Convent at that place. The departure of Mr. Eckenrode is greatly regretted. He was born and reared on a farm in the neighborhood of the Conewago Chapel.

He learned the cigarmaking trade and has worked at it steadily ever since. He helped to organize the McSherrystown Fire Company and has been chief of the organization for the past 15 years. He was also a member of the School Board for a period of 15 years and the last ten years was treasurer of that body. Alternately for 12 years he has been president of St. Mary's Beneficial Society. Also for the last three years he has been a member of the Executive Board of Cigarmakers' Union No. 316. The entire community joins in wishing him abundant success in his new field of labor. Mr. Eckenrode succeeds Bernard Jenkins formerly of Conewago, who last November took charge of the farms in Howard County, Md., bequeathed to him by his uncle, the late Samuel Jenkins.

WARSHIPS BACK UP DEMAND BY CHINA

Dutch Must Pay Indemnity For Killing Chinese.

San Francisco, Feb. 28. — Chinese warships have been ordered to Java under instructions to bombard Batavia if the Dutch government does not pay an indemnity demanded for killing of Chinese said to have been attacked by Dutch soldiers.

In an ultimatum sent to the Dutch government, provisional President Sun Yat Sen said that an attack on Java would be begun if the indemnity were not paid within a week.

This information was received in San Francisco in a private dispatch from Dr. Sun's private secretary to Tong King Chong, editor of the "Chinese Free Press."

TROLLEY ROPE CAUGHT HIM

Policeman's Quick Action Saves Life of Man in Accident.

Philadelphia, Feb. 28. — John C. Shantz, thirty years old, of 44 North Ninth street, was saved from strangulation by Reserve Policeman Brendlinger when his neck was caught in the trolley rope of a car at Ninth and Market streets, and he was dragged fully fifty feet before the policeman freed him.

The unusual accident was witnessed by hundreds of people, who applauded Brendlinger's quick action.

Shantz was crossing Market street behind a westbound car, when the waving rope formed a lasso about his neck. The man was thrown from his feet and dragged a short distance by the car, which was rendered powerless when the man's weight pulled the pole from the trolley wire.

The taut rope was strangling him when the policeman ran up and unwound the rope from his neck.

SHOT GIRL WIFE; KILLS SELF

Angered at Desertion, Husband Fires on Bride of Few Weeks.

Norfolk, Va., Feb. 28.—Angered at her desertion of him, Otis Holloman, twenty-three years old, intercepted his child wife, sixteen years old, while she was on her way to work and shot her, probably fatally. He then killed himself.

The young couple were married recently, but for several weeks had not lived together, the girl having obtained employment in a knitting mill.

REBELS NOW HOLD JUAREZ

Border City Falls With Slight Resistance.

U. S. TROOPS WATCH EVENT

Fearing Intervention, Garrison of Border Town Decided Not to Make Resistance.

El Paso, Tex., Feb. 28.—Juarez, the Mexican town directly opposite this city, is in possession of the Vaquista rebels.

Firing but one or two volleys, and meeting no resistance, except a few scattering shots in reply to their first volley, the rebels marched into town, capturing the machine guns that had been bought to repel them, took charge of the municipal offices, the customs house, the barracks, the jail and other public buildings.

The rebels made the assault at 10 o'clock, entering the outskirts from the northwest, and firing as they entered, using rifles and one cannon. The few hundred men in Juarez as defenders fired but a few shots from points of vantage and then were ordered by their officers to cease. The Mexican consul at El Paso, E. C. Florante, afterward said that the officers decided not to make a resistance to avoid complications with the United States.

United States troops patrolled the border at the time the attack was made, apparently ready to enter Juarez if El Paso should be endangered.

As the rebels marched into Juarez they found all the houses closed. Only one man, Captain Romero, of the defenders, was wounded, and he accidentally.

All night the rebels spent in camp outside of Juarez after moving around from the south to the northwest. They attacked from the northwest, partially using the banks of an irrigation ditch for protection. The fire was directed so that bullets of the defenders and assailants did not fall on American soil.

The rebels advanced in considerable order and appeared to be under perfect control of their officers. Emilio Campa was in command of the attacking party. The rebels say they will maintain order, and arrangements are being made to restore communication between El Paso and Juarez if the United States troops will permit. No looting accompanied the taking of the city.

The rebels carried a red flag beneath the Mexican tri-color.

Colonel Steever stated that he has no instructions to do other than protest should Mexican bullets be fired into American territory.

Americans in Juarez responded promptly to the warning issued by the United States consul, Mr. Edwards, and crossed the Rio Grande to El Paso, together with hundreds of Mexican non-combatants.

Seven armed and mounted Americans, who, it was alleged by Mexican officers, were on their way to Mexico to join the rebels, were arrested near the border line at Fronteras.

A small detachment of Texas militia guarding the El Paso electric light plant were fired upon during the night by parties concealed behind box cars and said to be Mexicans. Maxim silencers were used on the guns and more than twenty shots were fired, one bullet passing through the hat of one of the guardsmen.

SLASHED BY COLORED MAN

Society Woman Cut About Neck After Receiving Note.

Albany, N. C., Feb. 28.—Injuries which Mrs. Fred O. Beach, a New York society woman, sustained at the hands of a colored man, are not serious, according to the statement of attending physicians.

Mrs. Beach was cut about the neck, but the knife slashes were not deep. Mrs. Beach was disturbed by a noise at her front gate. She walked down to the sidewalk. A colored man hurried up to her and gave her a note. As she turned to go the man slashed her with a long knife and ran off.

Mrs. Beach formerly was the wife of a member of the Havemeyer family.

SHOT GIRL WIFE; KILLS SELF

Angered at Desertion, Husband Fires on Bride of Few Weeks.

Norfolk, Va., Feb. 28.—Angered at her desertion of him, Otis Holloman, twenty-three years old, intercepted his child wife, sixteen years old, while she was on her way to work and shot her, probably fatally. He then killed himself.

The young couple were married recently, but for several weeks had not lived together, the girl having obtained employment in a knitting mill.

DEMOCRATS MAY DELAY

Proposes Postponement of Convention if Roosevelt is Nominated.

Washington, Feb. 28.—Senator Bacon, of Georgia, said that he had suggested the advisability of the Democratic national committee postponing the national Democratic convention to give the Democrats more time to consider the "conditions" that might arise from the nomination of a Republican candidate at Chicago in the week of June 18.

Mr. Bacon did not refer by name to Colonel Roosevelt. A number of Democrats in the senate said they could not conceive of the likelihood of any postponement of the Baltimore convention, set for June 25.

It is said the movement is due to the announcement of Colonel Roosevelt that he is a candidate, and the belief of Democrats that he will be nominated by the Republicans.

It is the view of Senator Bacon that the Democrats should wait and see how the nomination of Roosevelt is received by the public, if he should be named, then make their own nomination.

DIED AS FRIEND DID

Dream is Fulfilled When He Expired in Same Manner.

Allentown, Pa., Feb. 28.—A dream that Frank Hartman, a farmer, of Alburtis, had several nights after the death of his life-long friend and neighbor, Henry Butz, two weeks ago, had its fulfillment Tuesday night, when Hartman died suddenly in a chair at his home.

The two men died in exactly the same manner and at the same hour of the day. They were the same age. Butz owned the farm upon which his friend Hartman lived.

BRANDT, IN FEAR, GLAD TO REMAIN IN JAIL

When Free He Intends to Return to Sweden.

New York, Feb. 28. — Folke E. Brandt, former valet of Mortimer L. Schiff, does not want to be released from the Tombs until he is free to leave the country.

Brandt is looking forward to his release on bail more with apprehension than delight, Mirabeau L. Towns, his counsel, said.

When he learned that there was no likelihood of his getting out of the Tombs before tomorrow, Brandt's face took on a smile of satisfaction. He is actually afraid to be released, despite his five years' confinement in prison. When he is a free man he intends to return to Sweden on the first ship.

Judge Craig, in the court of general sessions, fixed bail at \$2500 on the charge of assault, but declined to fix bail in the burglary charge, referring the matter to Supreme Court Justice Gerard, who admitted Brandt to \$5000 bail.

Still the prisoner was not released, for there stands against him a bench warrant charging felonious assault, which is in the hands of the district attorney.

VANAMAN PAYS PENALTY

Wife Murderer Executed in Prison Yard in Reading, Pa.

Reading, Feb. 28.—Matthew E. Vanaman was hanged for the murder of his wife. He strangled to death.

"I am glad I am going to die on a bright sunny morning," he declared when he arose.

Before going to his death Vanaman made this brief statement which was read, De Turk, gave to the press after his death: "I am not afraid to die. I was a weak, miserable boy and am ready to pay the penalty for my crime. My fate may warn others who are going the same path."

Vanaman shot his wife in their bedroom and then set fire to the house.

MR. TAFT FEELS SAFE NOW

Woman Sends the President a Four-leaf Clover for Luck.

Washington, Feb. 28.—President Taft no longer feels any apprehension over the political outlook. He may have had some doubts about his ability to win a day or two ago, but not so now. He received from Mrs. S. C. Wightley, of Philadelphia, a four-leaf clover. With this was the following sentiment:

"I send you this four-leaf clover. One leaf is for health, one is for courage, one is for right, and fear not, and one is for success next June and November and for four years of noble achievement."

ROOSEVELT NOT TO ATTACK TAFT

Declares Campaign Will Be Straight Out Battle.

TO SHUN PERSONAL FIGHT

Denies He Said President Was Not Progressive and Says He Expressed No Opinion of the Administration.

Boston, Feb. 28.—Although Colonel Theodore Roosevelt has declared his intention of making a "straight-out fight" for the presidential nomination, he let it be known that he would not be drawn into a personal controversy with the present administration.

The colonel was angered by statements published to the effect that he had said President Taft was not progressive. He said that in his political conferences, during which he was represented as having made the statement, President Taft's name had not been mentioned and that his opinion in regard to the administration had not been asked or expressed.

Colonel Roosevelt repeated his statement that he had not taken his present position for personal reasons, and he made it clear that he did not propose to make the issue in any sense a personal one.

Colonel Roosevelt was asked to explain the position he will maintain during his campaign. In reply he issued the following statement:

"I could not more definitely state my position on the great issues of the day than I stated it in my Columbus speech, and again before the Massachusetts legislature. In addition to calling attention to what I there said on the subject of popular government, I also called particular attention to what I said at Columbus on the business situation and the proper attitude of the government toward business so as to insure conditions that will make for the prosperity of the business world and of all our people."

"In my Ohio speech I dwelt with emphasis upon the two great subjects of immediate moment to our people, the need of having a real and not merely nominal popular rule, and the need of securing prosperity for the business man, the wage earner and the farmer alike. As I then said, I most emphatically believe that it is necessary to have an equitable division of prosperity, but that it behooves us to keep in mind that we cannot divide the prosperity unless the prosperity is there to divide, and that to secure the well being of the world is emphatically in the interest of every citizen of the United States."

Organization of the Roosevelt movement in New England was carried further, although Colonel Theodore Roosevelt said that he was going to give more time to literature than to politics.

Roosevelt League Emblen a "Square."

New York, Feb. 28.—The recently organized Roosevelt League of the City of New York will begin distributing throughout the various assembly and congressional districts petitions through which voters may nominate Roosevelt delegates to the state and national Republican conventions under the direct primary law. The name "Roosevelt League" has already been filed with the board of elections. It has for its emblem a "Square," symbol of Mr. Roosevelt's oft-repeated demand for a "square deal."

LONGWORTH ON THE FENCE

Roosevelt's Son-in-law Will Not Enter Pre-convention Fight.

Nicholas Longworth, of Ohio, son-in-law of Theodore Roosevelt, returned to Washington, after a visit with the colonel in Boston, and announced that he would not take any part in the campaign for the selection of delegates to the Chicago convention from his district in Ohio.

Mr. Longworth, several weeks ago announced himself in favor of the re-nomination of President Taft.

"I shall take no part in the selection of delegates to the Republican convention from my district," said Mr. Longworth.

MINERS' DEMANDS UP TO OPERATORS

Joint Conference Adjourns Until March 12 or 13.

OWNERS MEET NEXT WEEK

Operator Declares 20 Per Cent Advance in Wages Will Not Be Granted or Union Recognized.

New York, Feb. 28.—No action was taken here by the anthracite coal operators on the demands of the United Mine Workers of America for higher wages and other betterments.

The operators and miners, about thirty-five of the latter, headed by John P. White, president of the union, were in conference. There was no discussion of the demands. When the session adjourned it was stated officially the operators will consider the demands at a meeting in New York agreed to hold another joint session with the operators on March 12 or 13, when the operators will make known their attitude.

At Tuesday's meeting of the operators a committee will be appointed to consider the demands and through this committee a reply will be made at the joint conference.

The miners' representatives were keenly disappointed over the delay in the negotiations at the suggestion of the operators. "We were ready to discuss our proposition," declared one of the leading officials of the union, "but the operators were not. They have put us to the expense of returning home and coming back to New York again. Of course, we agreed to the proposition. They could have reserved decision."

After the operators and the representatives of the miners went into conference it was stated unofficially, but from what is regarded as a reliable source, that the demand for a 20 per cent. increase would be refused. It was also said the operators will not agree to recognize the union, and will refuse to concede the check-off system. It was said the question of an eight-hour day is open for consideration.

Discussing the demands one of the operators said that a twenty per cent. increase in wages will not be granted. He explained that the operators can not advance the wages of the men without increasing the cost of coal to the consumer, a course they are disinclined to take now.

The session was presided over by James L. Calk, of West Pittston, Luzerne county, Pa., an independent operator.

Previous to the conference the thirty-five representatives of the miners, headed by John P. White, president of the union, met at the Hotel Victoria. Mr. White and the three anthracite district presidents, John T. Dempsey, Thomas Kennedy and John Fahey, were delegated to present the demands to the operators and to be spokesmen for the union at the conference. The demands are:

A working contract for one year, instead of for three years.

An eight-hour workday, instead of nine, without any reduction in wages.

Recognition of the union as a party to negotiate a wage contract, with the operators collecting the union dues by the check-off system.

Abolition of the conciliation board and a more convenient and uniform system of adjusting local grievances.

An advance of 20 per cent in wages. A minimum rate of \$3.50 a day for miners and \$2.75 for laborers for contract work.

That no contract miner be allowed more than one working place or to employ more than two laborers.

That the rights of the check weighman and the check docking boss be recognized and that there shall be no interference with them.

That coal shall be paid for by the ton, instead of by the carload, as at present.

DUPONT DENIES BRIBERY

Delaware Senator Says He Welcomes Probe.

Washington, Feb. 28.—Senator Dupont, of Delaware, in the senate, voiced a flat denial of the charges against him in the resolution introduced by Senator Reed, of Missouri, which asked investigation of M. Dupont's election.

Mr. Dupont said he would welcome any action the senate might deem proper to take. The question went over. The Reed resolution for an inquiry was allowed to go over on the request of Senator Reed, who said that by then he would have certain facts concerning the election, the exact nature of which was not disclosed to him.

Three Children Dead in Fire.

Lexington, Ky., Feb. 28.—Three children are believed to have been burned to death in the Colored Orphans' home here. They were in the attic when the fire started and were not seen afterwards. Thirty children were saved by Mrs. Mary Edison, who broke a window and led them over a porch.

Two Killed as Mob Rules Kingston.

Kingston, Jamaica, Feb. 28.—Kingston was given over to mob rule throughout the night. As a result of collisions between the police and the populace two men were killed and more than thirty injured, some of them severely.

IT'S SO EASY TO END CATARRH

Go to the People's Drug Store and say I want a HYOMEI outfit—take it home—open the box—pour a few drops of HYOMEI from the bottle into the little hard rubber inhaler—breathe it for five minutes and note the refreshing relief—breathe it four or five times a day for a few days and catarrh and all its disgusting symptoms will gradually disappear.

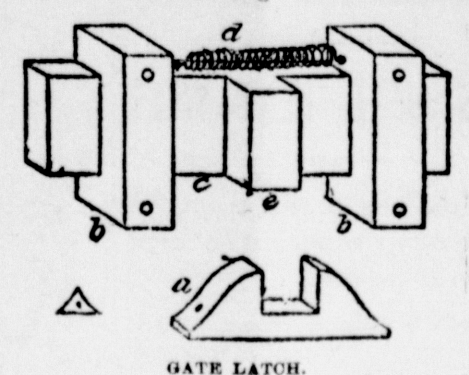

HYOMEI contains no opium, cocaine or other harmful drug and is sold on money back plan for catarrh, asthma, croup, colds, coughs and catarrhal deafness. Complete outfit, \$1.00—extra bottle if needed 50 cents at People's Drug Store and druggists everywhere. Simple instructions for use in every package—you can't fail to banish catarrh if you follow instructions.

SELF CLOSING GATE.

Directions For Making One That Is Serviceable and Inexpensive.

Here is a good plan for a self closing gate, reproduced from the Orange Judd Farmer, from which cuts and description are taken. The upright piece at the hinge end of the gate is made higher than the post it swings on. A crossbar is driven tightly through a hole at right angles with the gate. Make the crossbar two feet long or over and run

wires from the ends of the crossbar to a point two feet from the crossbar and continue by a single wire for one foot. A spiral spring from a mower or binder is here attached, and a wire is connected with this spring and run to the second post of the fence. This gate will swing either way and be pulled shut again. A latch made as described in the drawing will be a great help. Take a piece of hard wood—oak or maple—and saw as indicated at c. This should be 8 by 2 by 2 and saved so e

should be one inch thicker than the thin parts. Two pieces should be saved like b, just so the thin part of c will slide easily through it. Then saw a, making the groove one and one-fourth inches wide and its edges rounding so the latch will work easily and attach to the fencepost horizontally. A spiral spring from a shade roller is attached, as shown in sketch. This is inexpensive but serviceable and works well if right-ly made.

Everything that we have except a few fish and a hope in the hereafter comes out of the ground. Be good to the ground. —American Agriculturist.

OLD FOLKS Can Live Longer, Doctor Says

"One reason old people do not live to be older," says a famous physician, "is because they do not keep up their interest in life. They ought not to let go."

But when they are weakened through poor appetite and loss of sleep, you can't expect them to be so much interested in current events.

Let them first regain most of their former vigor, by using Vinol, our delicious cod liver and iron preparation, on which so many elderly people depend for good health.

According to F. R. Schoen, Justice of the Peace, Elk Mountain, Wyoming, his neighbor, Chas. T. Bourk, 84 years old, was very sick and ready to give up, but Vinol put him on his feet again and now he says: "Nothing ever helped me like Vinol—I could not do without it."

Vinol is sure to do you good if you are run down and weak—we guarantee this, and will pay back your money if you are not satisfied. People's Drug Store, Gettysburg, Pa.
